

The 2nd International Conference on Information and Knowledge Management (i-IKM 2021)

24-26 June 2021

Information and Knowledge Management, Innovation and Awareness for Sustainable Library and Information Institutions

About i-IKM 2021

The Department of Information Studies and Library Management, East West University, Dhaka, Bangladesh is pleased to announce the 2nd International Conference on Information and Knowledge Management (i-IKM) which is scheduled to be held from 24-26 June, 2021 virtually due to the COVID-19 situation. This conference will offer a pathway of quality information and knowledge management and dissemination updates from the key experts and will provide an opportunity to understand the role of information and knowledge management, innovation and literacy for sustainable library and information institutions.

About the Organizer

The Department of Information Studies and Library Management began its journey in 2016 through providing BSS (Honors) degree in Information Studies and Library Management at East West University. The Bachelor’s degree represents the critical importance of information and knowledge management across a wide range of fields and institutions. Apart from academic activities the department also focuses on extra-curricular activities to build network and enhance the real-world skills of their students. The department organized for the 1st International Conference on 2019 and as sequence the 2nd International Conference is going to be held from 24-26 June 2021.
